ERASMUS- KA2 PROJECT: INTERNATIONALISATION OF HIGHER EDUCATION INSTITUTES IN INDIA AND NEPAL

Nepal Engineering College is a member institute in InterNepInd consortium consisting of nine universities & colleges located in Spain, Portugal, India and Nepal. The consortium works together to support the internationalization process of Higher Education Institutions in India and Nepal promoting a comprehensive process based on strategy design, capacity building, development of structures and networking. As a result, international opportunities will be created for different stakeholders: from students to teachers, researchers, managers and administrative staff.

The project is co-funded by the Erasmus+ Programme of the European Union, KA2 2019 Capacity Building in the field of Higher Education and will last until November 2021.
