

# Guidelines for Open Project Competition (for *nec* students)

## Objective

The primary objective of the competition is to design and build an engineering/architecture project for exhibition and competition.

## Participation

- The participants must be the undergraduate students of *nec*.
- The team must register online for participation.
- Team size: 2-4 members.
- Students may participate in this category with team members in the mixed form from any batch and any program.
- Winners (one from each program) are automatically selected for this category.

## Awards

- Winner will be awarded NRs. 30,000/-
- First Runner Up will be awarded NRs. 5,000/- + router worth NRs. 11,500/-
- Other participants will get Certificate of Participation.

## Note

- The project exhibition organizing committee has right to change the guidelines as per necessity.
